The Path We All Said Yes To....

When you said "Yes" to Me, you gave up the right to be like everyone else. That is why you draw experiences to yourself that will cleanse yourself of that which does not fit who you are. Over and over, again and again, until I make you see that the past no longer works. I challenge you and tempt you every day with your past, so that you may see that the past is the ultimate delusion. When you said "Yes to Me" you gave Me your body, your thoughts and your actions.

When they don't suit the new you, the discomfort is unbearable. It will be so EVERY time and when you realize this fully, then and only then will you completely give up desire. For this is the only way man will learn. Very seldom does he learn by quiet reminders. Man's desires and pitfalls are placed there so that I may do My work. When you give up totally, then the temptations will fade. I will never give up on you. Every slip will become harder and harder to bear and less easy to remedy. You will tire of your foolishness because I love you and though not completely aware of it, you did say "Yes".

- Baba
